Civil Action

#05-CV-11749-JLT

MOTION TO ENLARGE NUMBER OF PAGES

ON MORE DEFINITE STATEMENTS

Now comes the Plaintiff, Felipe Oteze Fowlkes, PRO SE, in the above entitled Civil Action and moves this Honorable Court for an order enlarging the number of pages on plaintiff's "more definite statements" from seven pages to forty-six pages and/or to accept the initial 94 paged definite statement.

AS REASONS herefor, the plaintiff argues and shows that:

1. Using the chart provided by the court or any other format to comply with the court's directives, it is "impossible" to provide more definite statements on twenty-two defendants using seven pages. AS proof, the plaintiff has annexed "definite statements" using the chart suggested by the court.

2. As the Court can clearly see that in order for the definite statements to contain the information, they require from 1 1/2 to 2-pages on each defendant. Thus, the Court must reconsider an order which is "impossible" for plaintiff to comply with.

WHEREFORE, it is respectfully requested that this Honorable Court enlarge the number of pages for the more definite statements, from seven pages to 46 pages annexed hereto and/or as an alternative, that the Court will reconsider accepting the initial 94 paged definite statement(s).
